公司简介

符合健康时代的厨房用品和环保用品！

Environmental Friendly Household Products and Environmental Protection Products for "Well-Being Age"

代表着 1970 年，以 40 年名声为本的 '三益米桶' 致力在厨房用品的输出。可 2004 年 8 月为了在韩国扩展生产与销售，从三益 THK 母公司分离出来了。由此在韩国扩展着生产，销售符合健康时代的环保厨房用品和分类垃圾桶为中心的 '环境保护用品'

尤其厨房用具是由机内化，组件化，便利化为目标。和日本专业制造商 MCKINLEY 技术合作，还跟韩国出名的家庭用品制造商通过联合开发协议研究和生产。而且通过推进所有产品的 ISO 9001 认证和环保产品认证等各种活动来重视产品质量。

通过各种活动本公司不但在主营业务的出口上努力而且在 '三益米桶'，'摆动箱'，'煤气灶台' 等厨房用品和 '分类垃圾桶'，'纸杯垃圾桶'，'烟灰缸兼用垃圾桶' 等环保用品上竭尽全力来跟国内的顾客更加亲近，并且需要客户的厚爱和支持。谢谢。

We "SAMICK SES CO.,LTD." has been concentrated on the export of household products based on the 40 years of excellent reputation and it's "SAMICK Rice Box" which represent 1970's rice box. And we were seperated from the mother company "SAMICK THK CO.,LTD." in order to enlarge the production and sales in domestic market. Thereafter, we are expanding domestic production and sales for which "Environmental Protection Products" centering into the "Recycling Bin" and "Environmental Friendly Household Products" which could able to build up the "Well-Being Age".

Especially for the household products, we are targeting to make the "Built-In", "Modulation" and "Convenience" products securing the technical cooperation with "MCKINLEY CO.,LTD." who is a leading company in this field of household product in Japan and we are doing side by side with cooperate development with reputable household maker in domestic market. And we are doing our best to endeavour for the manufacturing of high quality products by means of activities for certification of "Environmental Friendly Products" and ISO 9001 for all the manufacturing products.

With these kinds of activities, we are making efforts to get near to the domestic customers not only with the export which is our main business but also with the household product brand like "SAMICK Rice Box", "Swing Lift (manual cabinet on sink)" and "Oven Table", etc. and with environmental products like "Recycling Bin", "Seperator of Paper Cup" and "Trash Can with ashtray".
